Help Create Welcoming Space!

The Welcoming Space Ministry Discernment Team has been working hard to find ways for our church campus to be more friendly, beautiful, and accessible. They've identified several projects for the community to work on in small teams. The catchphrase for these teams is "Deep commitment for a limited time." Each team will take on a very doable project and agree to meet for a set amount of time to get their project done. Then they can step back, admire their work, and let another team take on the next project.

The first project is to declutter and revitalize the Narthex, or the entryway to the sanctuary. If you're interested in helping out, please contact Debbie Kohler at debbiekohler@gmail.com or 503-558-9400.
